Cutting-Edge Content with Field-Leading Experts

Dr. Joan Borysenko is a legend in holistic health-care and evolutionary psychology. A pioneer in the integration of mind, body, and spirit, she is a licensed psychologist with a doctorate in cell biology from Harvard Medical School. President of Mind-Body Health Sciences, LLC in Santa Fe, NM, and a *New York Times* best-selling author of 16 books and several meditation CDs, Dr. Borysenko synthesizes cutting-edge science with deep humanity. Her work has appeared in *The Washington Post*, the *Wall Street Journal*, on public television, and on numerous websites.

Noah Levine, author of *Dharma Punx*, *Against the Stream*, *The Heart of the Revolution* and *Refuge Recovery*, is a Buddhist teacher, author and counselor. He has created a Buddhist approach to addiction recovery called *Refuge Recovery*, that includes peer-led meetings as well as a professional treatment center. He is also the founding teacher of *Against the Stream Buddhist Meditation Society*, with centers in Los Angeles, San Francisco and Nashville, and over 20 affiliated groups around North America. He teaches meditation classes, workshops and retreats internationally.

Dr. Harmell is a national lecturer specializing in legal and ethical issues in clinical practice. A professor at the Pepperdine University Graduate School of Education and Psychology, she has written extensively in professional publications on ethical practice. Dr. Harmell is a former chair of the California Psychological Association State Ethics Committee, and is the current co-chair of the Los Angeles County Psychological Association Ethics Committee. She served on the Board of Directors of the California Psychological Association, and she is a past-president of the Los Angeles County Psychological Association.

Program Focus and Goals

The Institute of Behavioral Healthcare is the producer of the Summit for Clinical Excellence Conferences a premier provider of continuing education for behavioral health, mental health and addiction, professionals. We bring together the best and brightest trainers from many disciplines offering a broader perspective to help our therapists and counselors better address the issues that their client is facing day to day.

Conference Objectives:

1. To identify current evidence-based, specific diagnostic and treatment approaches, counseling skills and modalities that will be successfully applied to the fields of mental health, behavioral health and addictive disorders; including but not limited to: Trauma, Relationships, Ethics, Mindfulness, and Process Addictions.
2. To identify the symptoms and characteristics of the disorders mentioned in objective #1 and how they have interfered with the clients' interpersonal and family relationships.
3. To participate in skill building workshops and unique training that offer cognitive and experiential clinical-techniques to assist in patient/client recovery from these listed disorders.

Continuing Education Credits

The Summit for Clinical Excellence will offer Continuing Education Credits from the following organizations and has been submitted for accreditation approval. For updated approvals and more information please visit: www.iAdvanceBehavioralHealthcare.com/OC2017
